For Sale

**Condition**  
Project

**Type of View**  
Panoramic Sea

**Plot Size**  
1055m2

An outstanding building plot with wonderful sea views and perfect sun orientation in a quiet location in Camp de Mar. A project has been submitted to obtain a licence to build this wonderful house as illustrated. The price shown is for the plot. Building costs would be discussed with the buyer to meet the clients requirements. As a guide the final price is likely to be in the region of €8.5 to €9 million.
