2226m2

This plot is located in a prestigious location with stunning panoramic sea views. A licence has been granted to build a six bedroom villa designed by a leading Mallorcan company who specialise in distinctive contemporary designed properties. The villa features light filled interiors, an infinity swimming pool, gym and lift. All rooms have views that take full advantage of this remarkable location. The buyer can also influence the internal design to match their personal taste.

The villa is close to Port Andratx with its marina and many shops, restaurants and bars. Palma is only a twenty minute drive away.

An impressive location with licence to create an exceptional home with elevated panoramic views.
