

Impressive Newly Built Villa

Bonanova, South West

Reference V3288	Category Finca/House/Villa	Type of Business For Sale	Price 5,800,000€
Condition New	Type of View Country	Construction Year 2022	
Bedrooms 4	Bathrooms 3	Built Size 551m2	Plot Size 2290m2

This newly built beautiful villa is located in popular Bonanova, close to Palma city centre and International schools. Built on a flat plot the villa enjoys views of Castle Bellver and the Traumuntana mountains and overlooks a green zone, where building is not permitted. Top quality materials have been used throughout to create a stunning family home. There are 4 bedrooms including a spacious master suite with ensuite bathroom and walk in wardrobe. There is a bright and spacious living/dining area with a kitchen styled by top of the range Birgit Mueller. The living area leads onto a terrace with an outdoor kitchen and covered dining space and overlooks the swimming pool.

This is a spectacular family home with wonderful view and includes furnishings by the designer store Terraza Balear.
